

HOUSE BILL 2265

By Leatherwood

AN ACT to amend Tennessee Code Annotated, Title 67,
Chapter 5, relative to property taxes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The comptroller of the treasury is urged to study the feasibility and potential impacts of establishing the value of all residential property as the most recent price paid for the property in lieu of assessors of property appraising the value through the use of assessment manuals. If such study is conducted, then the comptroller shall submit a report, including any findings and recommendations, to the finance, ways and means committee of the senate and the committee of the house of representatives having jurisdiction over finance matters.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
