In addition to any other funds appropriated by the provisions of this act, there is appropriated the sum of \$20,000 (nonrecurring) to the Department of Finance and Administration for the sole purpose of making a grant in such amount to the municipal government of the City of Elizabethton, to be used for the reconstruction and refurbishing of the Hampton Community Water Tower.

Item 75. In addition to any other funds appropriated by the provisions of this act, there is appropriated the sum of \$30,000 (nonrecurring) to the Department of Finance and Administration for the sole purpose of making a grant in such amount to the county government of Johnson County, to be used for the planning and engineering of the Multi Sports Complex for the youth of Johnson County.

Item 76. In addition to any other funds appropriated by the provisions of this act, there is appropriated the sum of \$7,000,000 (nonrecurring) to the Department of Human Services to be used exclusively for the Summer Electronic Benefits Transfer (EBT) Program.

REPORTS

AND FURTHER AMEND by adding the following new items in Section 23:

Item _____. All intra-agency transfers within organizational units of state government shall be reported by the Department of Finance and Administration to the Directors of the Office of Legislative Budget Analysis on a quarterly basis.

Item _____. It is the intent of the General Assembly that any new or expanded program or system that uses vendors and is funded through the Rural Healthcare Transformation Program must be procured, to the extent permitted under federal law, through a competitive bidding process when the use of such a process will not jeopardize federal funding. Beginning July 1, 2026, the Department of Health shall submit a monthly report to the Chairs of the Finance, Ways and Means Committees of the Senate and the House of Representatives and the Office of Legislative Budget Analysis detailing the following information concerning the Rural Health Transportation ("RHT") Program:

- (a) Each RHT-funded program or system procured during the prior month;
- (b) Whether such program or system was competitively bid;
- (c) If not competitively bid, then an explanation of why a noncompetitive procurement method was used;
- (d) Any new vendors selected for each program or system;
- (e) Whether the selected vendor was the lowest-cost bidder and the number of bidders for each competitively bid procurement;
- (f) The total cost of each program or system;
- (g) The estimated number of state employees that would be required to continue each program or system upon the expiration of federal funding; and
- (h) The estimated annual amount of state funding required to continue each program or system once federal funding is fully expended.

LOCAL COSTS OVER \$1M

AND FURTHER AMEND by inserting the following new item in Section 42:

Item _____. In addition to any other funds appropriated by the provisions of this act, there is hereby appropriated a sum sufficient to cities and counties for the sole purpose of funding the state share of the mandated local cost of implementing the provisions of Senate Bill 225 / House Bill 29, relative to changing the payment methodology for services rendered by a chiropractic physician to be the same as a medical physician, if such bill becomes a law. The state share shall be an amount equal to ten percent (10%) of the mandated local cost of implementing such bill.

HOUSE KEEPING – TYPOGRAPHICAL CORRECTIONS

AND FURTHER AMEND by requesting the Engrossing Clerk to:

- (1) Delete the bold underlined explanatory headings in this amendment; and
- (2) Exclude this paragraph from the engrossed bill.
