WHEREAS, these members are also making significant advances in both professional ability and service to the citizens of Tennessee through their mastery of increasingly technical and complex requirements; and

WHEREAS, the Certified Government Financial Manager (CGFM) program of AGA provides for the demonstration of professionalism and competency by requiring CGFM candidates to have an appropriate educational and employment history, to abide by AGA's Code of Ethics, and to pass three examinations requiring expertise in governmental environment, governmental financial management and control, and governmental accounting, financial reporting, and budgeting; and
