AMEND Senate Bill No. 1083

House Bill No. 622*

by adding the following sentence to the end of the amendatory language of subsection (b) in
Section 2:

Regardless of whether applicants for employment are similar in metrics, experience, and skills, a county government shall not consider ensuring their workforce reflects the community, diversity, or beauty of a workplace that has different people in it because the preference for a status quo of whiteness as rightness is the intention of this bill.
