

SENATE JOINT RESOLUTION 560

By Campbell

A RESOLUTION to commemorate February 2026 as
"Spay/Neuter Awareness Month" in Tennessee.

WHEREAS, Spay/Neuter Awareness Month is an important observance dedicated to promoting responsible pet ownership by raising awareness on the importance of spaying and neutering companion and stray animals to reduce the number of homeless animals in the State of Tennessee; and

WHEREAS, each year, shelters euthanize hundreds of thousands of healthy, adoptable cats and dogs because of the lack of resources to care for them, while more are uncared for and unreported as they struggle to survive on the streets; and

WHEREAS, cats and dogs are domesticated animals who rely on humans to care for them, and the most effective way to address the companion animal homelessness crisis is to spay and neuter pets; and

WHEREAS, spaying and neutering are routine, safe, and beneficial surgeries; and

WHEREAS, spayed and neutered animals live longer, healthier lives with reduced risk for certain cancers and other life-threatening diseases; and

WHEREAS, spaying and neutering reduce the burden placed on public and private animal shelters and other animal protection and welfare services; and

WHEREAS, Tennesseans can learn more about their options for spaying and neutering their pets at those local animal shelters, rescue groups, and spay-and-neuter organizations that work tirelessly to promote and protect animal welfare; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED FOURTEENTH
GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE HOUSE OF

REPRESENTATIVES CONCURRING, that we join with citizens from across this State in commemorating the month of February 2026 as "Spay/Neuter Awareness Month" in Tennessee.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy and upon proper request made to the appropriate clerk, the language appearing immediately following the State seal appear without House or Senate designation.
