

SENATE JOINT RESOLUTION 823

By Haile

A RESOLUTION to honor and commend Sumner County and Trousdale County emergency services agencies and volunteers in Senate District 18 for their efforts during Winter Storm Fern.

WHEREAS, it is the privilege of this General Assembly to recognize those devoted Tennesseans who, in the discharge of their duties, commit long hours and often place themselves in harm's way to ensure the safety and well-being of their fellow citizens; and

WHEREAS, Winter Storm Fern, which began impacting Tennessee on January 24, 2026, brought with it a dangerous mix of snow, sleet, and freezing rain that coated roads, trees, and power lines in a layer of ice, accompanied by frigid temperatures that lingered for several days; and

WHEREAS, this historic winter storm caused widespread disruption and danger across the State of Tennessee, including the closure of schools and offices, impassable roads, and extensive power outages affecting thousands of residents; and

WHEREAS, in the face of these perilous conditions, line workers and staff at Tri-County Electric Membership Corporation, Gallatin Department of Electricity, Nashville Electric Service, and Cumberland Electric Membership Corporation worked around the clock to restore power to homes and businesses, even as temperatures plummeted into the single digits; and

WHEREAS, emergency services agencies and first responders in Sumner and Trousdale counties rose to meet the storm's challenges, responding to accidents, checking on vulnerable residents, and maintaining public safety under extreme conditions; and

WHEREAS, volunteers throughout Senate District 18 likewise stepped forward to assist their neighbors, providing support, resources, and care during the storm's most dangerous days; and

WHEREAS, together, these courageous and tireless workers acted with integrity, skill, and determination, placing the welfare of others above their own comfort and safety; and

WHEREAS, these exemplary professionals and volunteers represent the very best of public service and community resilience, and they are richly deserving of our gratitude and recognition; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE HOUSE OF REPRESENTATIVES CONCURRING, that we honor and commend Sumner County and Trousdale County emergency services agencies, first responders, line workers, and staff at Tri-County Electric Membership Corporation, Gallatin Department of Electricity, Nashville Electric Service, and Cumberland Electric Membership Corporation, as well as volunteers in Senate District 18, for their efforts during Winter Storm Fern, extending our deepest appreciation to these dedicated individuals who, in a moment of great peril, came to the aid and rescue of their fellow citizens.
