

SENATE BILL 744

By Yager

AN ACT to amend Tennessee Code Annotated, Title 4;
Title 63 and Title 68, relative to reportable
diseases.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. On or before July 1, 2025, the commissioner of health shall add alpha-gal syndrome to the department of health's published list of reportable diseases and conditions, the occurrence of which must be reported to the department by a healthcare provider pursuant to administrative rule.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
