AMEND Senate Bill No. 2057*

House Bill No. 2385

by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 7-82-710, is amended by deleting subsection (a) and substituting:

(a) A utility system, as defined in § 7-82-701(b), that provides wastewater service shall provide a connection to the wastewater service upon request of a real property owner when the utility system:

(1) Has an existing gravity sewer line located on or adjacent to the owner's real property within the street right-of-way, public access easement, or public utility easement; or

(2) Has an existing sewer force main located on or adjacent to the owner's real property that can be accessed using technology designed for such an application.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
