

SENATE JOINT RESOLUTION 565

By Crowe

A RESOLUTION to recognize March 2026 as "Endometriosis Awareness Month."

WHEREAS, endometriosis affects one in ten women of childbearing age in the United States; and

WHEREAS, endometriosis is a chronic gynecological disease of the female reproductive system and is a leading cause of pelvic pain and infertility; and

WHEREAS, while endometriosis is known to cause pelvic pain and infertility, some women have other symptoms depending on the location of the endometriosis, and some women have no symptoms; and

WHEREAS, there is an average delay of ten years from the onset of symptoms to the final diagnosis of endometriosis; and

WHEREAS, endometriosis and its treatment result in tens of thousands of hospitalizations, lost productivity, and absenteeism at work due to chronic pain; and

WHEREAS, there is no cure for endometriosis, and more research is necessary to develop additional treatment options to manage this potentially debilitating disease; and

WHEREAS, evidence-based standards are based on the severity of the disease, and treatment may include oral contraception, progestins, nonsteroidal anti-inflammatory drugs, and surgery, although access to surgical treatment may vary by region, insurance coverage, and availability of clinicians; and

WHEREAS, education about endometriosis and its symptoms is important in promoting awareness among the public and healthcare providers alike and enhancing the early detection and diagnosis of the disease; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED FOURTEENTH
GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE HOUSE OF
REPRESENTATIVES CONCURRING, that we recognize "Endometriosis Awareness Month" in
Tennessee during the month of March 2026 to promote education and awareness about this
potentially debilitating disease.
