

HOUSE BILL 2130

By Hicks T

AN ACT to amend Tennessee Code Annotated, Title 4 and Title 62, Chapter 2, Part 4, relative to certificates of registration for engineers.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 62-2-401(a), is amended by adding the following as a new subdivision:

(5) Graduation from Engineering Technology Curriculum, Experience, and Examination. A graduate of an ABET ETAC accredited engineering technology curriculum of four (4) years or more who is approved by the board as being of satisfactory standing; who submits written professional references from three (3) engineers currently registered in this state who are in good standing with the board; and who passes an examination prepared by the National Council of Examiners for Engineering and Surveying involving the fundamentals of engineering, must be admitted to an examination prepared by the National Council of Examiners for Engineering and Surveying in the principles and practice of engineering. Upon passing the examinations and with a specific record of eight (8) years or more of progressive experience on engineering projects under the supervision of a licensed professional engineer of a grade and character that indicates to the board that the applicant may be competent to practice engineering, the applicant must be granted a certificate of registration to practice engineering in this state; provided, that the applicant is otherwise qualified.

SECTION 2. For the purpose of promulgating rules, this act takes effect upon becoming a law, the public welfare requiring it. For all other purposes, this act takes effect July 1, 2026, the public welfare requiring it.
