

SENATE BILL 2683

By Kyle

AN ACT to amend Tennessee Code Annotated, Title 4;
Title 49 and Title 67, Chapter 6, relative to
feminine hygiene products.

WHEREAS, feminine hygiene products are a necessity each month for individuals across the United States; and

WHEREAS, more than half of the United States population will likely menstruate every month for decades of their lives; and

WHEREAS, a lack of feminine hygiene products, often called "period poverty," can adversely affect an individual's health and well-being; and

WHEREAS, period poverty exacerbates the vicious cycle of poverty by further marginalizing individuals who menstruate, causing them to withdraw from daily life, forego pay, or miss educational opportunities; and

WHEREAS, addressing period poverty is essential to ensuring educational equity for diverse populations; and

WHEREAS, studies have shown that one in four women and girls report struggling to afford menstrual products; and

WHEREAS, studies have shown that one in ten college students in the United States are affected by period poverty; and

WHEREAS, period poverty disproportionately affects Black, Latina, immigrant, and first-generation students at higher rates than other cohorts; and

WHEREAS, individuals living in period poverty are more likely to experience depression than individuals with access to period products; and

WHEREAS, period poverty can increase the risk of infections due to the use of substitutes for feminine hygiene products, such as paper towels or toilet paper, and the inability to change feminine hygiene products as frequently as recommended; now, therefore, BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 67, Chapter 6, Part 3, is amended by adding the following as a new section:
