AMEND Senate Bill No. 2207*

House Bill No. 2275

by deleting subsection (j) and substituting instead the following:

(j) Except as provided in this subsection (j), the advisory board's recommended guidelines must be made available to the public on the department of commerce and insurance's website. The advisory board may designate specific portions of the guidelines that contain detailed security vulnerability information as restricted from public view, making such portions available only to governmental entities. Any restricted designation must be documented with a specific written justification. The existence of restricted portions and the general subject matter thereof shall be disclosed publicly.

AND FURTHER AMEND by deleting subsection (f) and substituting instead the following:

(f) Except as provided in this subsection (f), advisory board meetings are subject to the open meetings laws compiled in title 8, chapter 44. The advisory board may hold closed sessions limited to discussion of specific security vulnerabilities or tactical information that would compromise school safety if publicly disclosed; provided, that the board documents the basis for closing any portion of a meeting and that the general substance of all meetings is made available in public minutes within thirty (30) days.
