by deleting Section 3 and substituting:

SECTION 3. Tennessee Code Annotated, Section 49-3-108(i), is amended by deleting subdivisions (1)-(3) and substituting instead:

(1)

(A) Beginning with TISA allocations for the 2026-2027 school year, and except when subdivision (i)(2) applies, if an LEA's TISA allocation for the current school year is less than the LEA's TISA allocation for the immediately preceding school year, and the LEA experienced disenrollment, then the department shall allocate additional funds to the LEA in the amount of the average per pupil state funds received by the LEA in the immediately preceding school year for each student who disenrolled from the LEA for the immediately preceding school year and received, for the immediately preceding school year, an education freedom scholarship pursuant to chapter 6, part 35 of this title.

(B) The sum total of any additional funds received by an LEA pursuant to this subdivision (i)(1) must not exceed the LEA's TISA allocation for the immediately preceding school year.

(2)

(A) Beginning with TISA allocations for the 2027-2028 school year, if an LEA has ever received additional funds under this subsection (i), and if the LEA's TISA allocation for the current school year is less than the sum total of the LEA's TISA allocation for the immediately preceding school year and the amount of any

additional funds received by the LEA pursuant to this subsection (i) for the immediately preceding school year, and the LEA experienced disenrollment, then the department shall allocate additional funds to the LEA in the amount of the average per pupil state funds received by the LEA in the immediately preceding school year for each student who disenrolled from the LEA:

(i) For the immediately preceding school year and received, for the immediately preceding school year, an education freedom scholarship pursuant to chapter 6, part 35 of this title; and

(ii) For a school year prior to the immediately preceding school year and received, for the first school year for which the student disenrolled from the LEA, an education freedom scholarship, and who continues to receive an education freedom scholarship.

(B) The sum total of any additional funds received by an LEA pursuant to this subdivision (i)(2) must not exceed the sum total of the LEA's TISA allocation for the immediately preceding school year and the amount of any additional funds received by the LEA pursuant to this subsection (i) for the immediately preceding school year.

(3) Any additional funds provided to an LEA pursuant to this subsection (i) must be solely state funded. If an LEA is eligible for additional funds under this subsection (i) and subsection (b) or subsection (c), then the department shall only award additional funds to such an LEA pursuant to this subsection (i), subsection (b), or subsection (c), whichever results in the LEA receiving the greatest amount of additional funding.
