AMEND Senate Bill No. 2247*

House Bill No. 2532

by deleting Section 5 and substituting instead the following:

SECTION 5. Tennessee Code Annotated, Title 49, Chapter 6, Part 35, is amended by adding the following as a new section:

(a) The department shall annually collect and report to the general assembly, the following information about the program for the school year designated in the report:

(1) The number of eligible students who applied for a scholarship, disaggregated by the number of applications received from each county;

(2) The number of scholarship recipients from each county;

(3) The number of eligible students who applied for a scholarship, disaggregated by the number who, at the time of submitting the scholarship application, were enrolled in a private school, public charter school, or a school managed and controlled by a local board of education;

(4) The number of eligible students who, at the time of submitting a completed scholarship application, were not yet enrolled in school, but who were applying for a scholarship for kindergarten enrollment;

(5) The number of scholarship recipients who were enrolled in a private school in the school year immediately preceding the first school year for which the recipient received a scholarship;

(6) Each private school that enrolls or enrolled a scholarship recipient and the percentage of the private school's student enrollment for the reporting year that received a scholarship pursuant to this part;

(7) The number of recipients disaggregated by:

(A) Annual household income in each of the following categories:

(i) Less than fifty thousand dollars (\$50,000);

(ii) Between fifty thousand dollars (\$50,000) and ninety thousand dollars (\$90,000), both inclusive;

(iii) Between ninety thousand one dollars (\$90,001) and one hundred twenty-five thousand dollars (\$125,000), both inclusive;

(iv) Between one hundred twenty-five thousand one dollars (\$125,001) and one hundred seventy-five thousand dollars (\$175,000), both inclusive; and

(v) More than one hundred seventy-five thousand dollars (\$175,000);

(B) The private schools at which the recipients used scholarship funds in accordance with § 49-6-3505; and

(C) The LEAs and public charter schools in which recipients were enrolled in the school year immediately preceding the first school year for which the recipients received a scholarship, if applicable; and

(8) The total state expenditures for the program, including, but not limited to:

(A) Third-party contracts;

(B) Administrative costs incurred by the department;

(C) Advertising and marketing expenses; and

(D) Scholarships awarded to recipients.

(b)

(1) Each private school that enrolls recipients shall annually report to the department the number of student enrollment spaces that were available and that

remained unfilled at the private school in the immediately preceding school year and the number of open student enrollment spaces that are available at the private school for the upcoming school year.

(2) The department shall include the information reported by private schools pursuant to this subsection (b) in the report required in subsection (a).

(c) The department shall submit the report required in subsection (a), including the information reported by private schools pursuant to subsection (b), to the general assembly by June 1, 2026, for the 2025-2026 school year, by October 1, 2026, for the 2026-2027 school year, and by each October 1 thereafter for subsequent school years.

(d) The report must not include personally identifiable information.
