AMEND Senate Bill No. 1478*

House Bill No. 1752

by adding the following as a new, appropriately designated section immediately preceding the penultimate section and redesignating the subsequent sections accordingly:

SECTION ____.

(a) Notwithstanding another law to the contrary, the segment of State Route 100 in Davidson County beginning one hundred yards west of the entrance to Edwin Warner Park and the Warner Park Nature Center and ending one hundred yards east of such entrance is hereby designated the "Colby Ross Chase Memorial Highway" to honor this young man who was known for his joyful spirit and positive impact on others, and who tragically lost his life in a motorcycle accident occurring at the park entrance.

(b) The department of transportation is directed to erect suitable signs or to affix suitable markers designating the segment described in subsection (a) as the "Colby Ross Chase Memorial Highway".

(c) The erection of the signs must be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices, and within state supplemental guidelines, as applicable.

(d) The appellation "Colby Ross Chase Memorial Highway" provided for in this section is for honorary purposes only, and this section does not require the alteration of any address, or the governmental system for assigning addresses, in any county, municipality, or other governmental entity affected by this section.

(e) This section does not require the alteration of any previously named segment of State Route 100 described in subsection (a) as the "Colby Ross Chase Memorial Highway".

(f) This section becomes operative only if the cost of the manufacture and installation of the signs is paid to the department of transportation from nonstate funds within one (1) year of the effective date of this act. The payment must be made prior to any expenditure by the state for the manufacture or installation of the signs. The department shall return any unused portion of the estimated cost to the person or entity paying for the signs within thirty (30) days of the erection of the signs. If the actual cost exceeds the estimated cost, then an amount equal to the difference in the costs must be remitted to the department in nonstate funds within thirty (30) days of the sponsoring person or entity receiving an itemized invoice of the actual cost from the department.
