(5) The commission shall establish a means of using inputs into the outcomes-based funding formula model to establish target on-time graduation rates for each state institution of higher education and publish the target rates at least once every five (5) years.

SECTION 4. Tennessee Code Annotated, Section 49-7-202(n)(2)(B), is amended by deleting the subdivision and substituting:

(B) Notwithstanding subdivision (n)(2)(A), the commission may approve separate maximum allowable tuition and fee increases for one (1) or more public institutions of higher education that differ from the tuition and fee policy approved pursuant to subdivision (n)(2)(A) if the commission determines that:

(i) A separate tuition and fee policy for an institution is necessary based on the circumstances or needs of the respective institution; and

(ii) The institution has demonstrated positive growth in the institution's on-time graduation rate calculated on a three-year rolling average.

SECTION 5. Tennessee Code Annotated, Title 49, Chapter 7, Part 1, is amended by adding the following as a new section:
