AMEND Senate Bill No. 2205*

House Bill No. 2450

by adding the following new section to SECTION 1:

65-13-104. Transit project to be ADA compliant; accessibility.

(a) All stations, entrances, exits, portals, and other publicly accessible facilities associated with a transit project must be designed and constructed in compliance with the 2010 ADA Standards for Accessible Design adopted pursuant to § 68-120-204, and any further amendments, supplements, or subsequent editions to such standards.

(b) An operator shall not impose additional charges for transportation to persons with physical disabilities because of such disabilities.

(c) An operator shall ensure that each transit project provides access to vehicles that accommodate persons with physical disabilities, including persons who use wheelchairs or other mobility devices regardless of type.
