

HOUSE JOINT RESOLUTION 933

By Faison

A RESOLUTION to commemorate the fifth anniversary of the passage of the updated Tennessee Silver Alert law.

WHEREAS, in 2021, the Tennessee Silver Alert law was updated to create greater collaboration between local enforcement and the Tennessee Bureau of Investigation, incorporating enhanced cooperation with the media; and

WHEREAS, the updated Silver Alert program has proven to be highly effective, resulting in over 500 Silver Alerts being issued since 2021; and

WHEREAS, through this collaboration with the General Assembly, administrative agencies, and community stakeholders, Silver Alert has experienced success in its ongoing commitment to save lives in the State of Tennessee; and

WHEREAS, approximately 120,000 Tennesseans have a diagnosis of Alzheimer's disease and related dementias that may cause loss of memory and other cognitive function; and

WHEREAS, as the senior population steadily grows, the aging of the baby-boomer generation will likely increase the number of Tennesseans with Alzheimer's disease; and

WHEREAS, Silver Alert will continue to result in more Tennesseans being returned safely to their families after wandering; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that we commemorate this significant milestone of achievement and service of the Silver Alert program.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy and upon proper request made to
