A RESOLUTION to honor and commend the Tennessee Scholastic Clay Target Program on the occasion of its twenty-fifth anniversary.

WHEREAS, the Tennessee Wildlife Federation began managing the Scholastic Clay Target Program in 2001; over the past twenty-five years, this program has provided thousands of Tennessee youth with the opportunity to participate in trap, skeet, and sporting clays with peers across the State, teaching the importance of safe firearm handling, responsibility, leadership, and teamwork while promoting healthy competition; and

WHEREAS, the Tennessee Scholastic Clay Target Program has grown from a grassroots program into one of the largest programs of its kind in the nation, while positively impacting youth across Tennessee's rural, urban, and suburban communities; and

WHEREAS, the Tennessee Scholastic Clay Target Program has served approximately 214,000 athletes on 112 teams across the Volunteer State and engaged over 1,300 coaches through its volunteer coaching network, which provides structured coaching certifications and safety programs, creating long-term coach retention; and

WHEREAS, the Tennessee Scholastic Clay Target Program creates a life pathway, not merely a season, with athletes remaining engaged far beyond graduation and returning to coach and mentor teams for years to come; and

WHEREAS, these athletes have represented the State of Tennessee at the national level, with hundreds competing annually at the Scholastic Clay Target Program National Championship; and

WHEREAS, through their dedication and skill, Tennessee teams have produced numerous top-five finishes and national championship titles and rank among the top-performing states in the history of the Scholastic Clay Target Program; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, that we hereby honor and commend the Tennessee Scholastic Clay Target Program on the occasion of its twenty-fifth anniversary, applaud its many achievements, and extend our appreciation for its lasting and positive impact on the young men and women of this State who have participated in the program over the past twenty-five years.
