(a) On and after July 1, 2026, a delivery network company or DNC driver shall comply with the automobile liability insurance requirements of this section.

(b)

(1) When a DNC driver is logged into the DNC's digital network and available to receive requests for delivery services, but is not providing such services, the driver must have automobile liability insurance that meets at least the minimum coverage requirements for proof of financial responsibility, as defined in § 55-12-102.

(2) The DNC shall also maintain automobile liability insurance required under subdivision (b)(1). Such insurance must provide coverage in the event that a participating DNC driver's own automobile liability policy excludes coverage according to its policy terms or does not provide coverage of at least the limits required under subdivision (b)(1).

(c)

(1) The following automobile liability insurance requirements apply while a driver is providing services:

(A) Primary automobile liability insurance that recognizes the DNC driver's provision of DNC services; and

(B) Automobile liability insurance of at least one hundred thousand dollars (\$100,000) for death, personal bodily injury, and property damage.

(d) If the insurance maintained by a driver to fulfill the insurance requirements of this section has lapsed, failed to provide the required coverage, denied a claim for the required coverage, or otherwise ceased to exist, then the insurance maintained by the DNC must provide the coverage required by this section beginning with the first dollar of a claim.

(e) Insurance required by this section may be placed with an insurer authorized to do business in this state or with a surplus lines insurer eligible under the Surplus Lines Insurance Act, compiled in title 56, chapter 14.

(f) Insurance required by this section satisfies the financial responsibility requirements for a motor vehicle under the Tennessee Financial Responsibility Law of 1977, compiled in title 55, chapter 12, while a driver is logged into the DNC's digital network or while the driver is engaged in providing delivery services through the DNC's digital network; provided, that this section does not relieve a driver from the financial responsibility requirements for a motor vehicle under the Tennessee Financial Responsibility Law of 1977, when the driver is neither logged into the DNC's digital network nor providing delivery services through the DNC's digital network.

**65-15-406.**

(a) The delivery network company shall disclose in writing to a DNC driver the following before a driver is allowed to accept a request for delivery services on the DNC's digital network:

The right to exclude coverage and the duty to indemnify and defend may apply to any coverage included in an automobile liability insurance policy, including:

- (1) Liability coverage for bodily injury and property damage;
- (2) Uninsured and underinsured motorist coverage;
- (3) Medical payments coverage;
- (4) Comprehensive physical damage coverage; and

(d) An insurer that writes automobile liability insurance in this state shall disclose on its application for insurance, in a prominent place, whether or not the insurance policy provides coverage while an insured motor vehicle provides or is available to provide

DNC services. If an automobile liability insurance policy contains an exclusion for DNC services, then the insurer or its agent shall disclose in writing the exact language of the exclusion to the applicant during the application process.

(e) In a claims coverage investigation, a DNC and any insurer providing coverage under § 65-15-405 shall cooperate to facilitate the exchange of information, including the precise times that a DNC driver logged on and off of the DNC's digital network in the twenty-four-hour period immediately preceding the accident and disclose to one another a clear description of the coverage, exclusions, and limits provided under any insurance policy each party issued or maintained.

**65-15-407.**

(a) A delivery network company operating in this state shall establish procedures to report any complaint about a driver with whom a DNC customer was matched and whom the rider reasonably suspects was under the influence of drugs or alcohol during the course of the trip.

(b) Upon receipt of a customer complaint alleging a violation of the zero-tolerance policy set out in § 65-15-404(4), the DNC shall immediately suspend the driver's access to the DNC's digital platform and conduct an investigation into the reported complaint. The suspension must last the duration of the investigation.

(c) The DNC shall maintain records relevant to a rider complaint made pursuant to this section for a period of at least two (2) years from the date that the complaint is received by the DNC.

**65-15-412.**

(a) Except as otherwise provided in subdivisions (b)(1) and (2), a delivery network company shall not disclose a DNC customer's personally identifiable information to a third party unless:

- (1) The customer consents;
- (2) Disclosure is required by a legal obligation; or
- (3) Disclosure is required to protect or defend the terms of use of the service or to investigate violations of those terms.

(b) A DNC may share a customer's name and telephone number with the driver providing delivery services to the customer to facilitate:

- (1) Correct identification of the customer by the driver; or
- (2) Communication between the customer and the driver.

**65-15-413.**

A delivery network company is not deemed to own, control, operate, or manage the motor vehicles used by drivers.

**65-15-414.**

A delivery network company service begins when a driver accepts a request for delivery services received through the DNC's digital network or software application,
