

SENATE JOINT RESOLUTION 940

By Pody

A RESOLUTION to honor Novamet Specialty Products Corporation on the occasion of its fiftieth anniversary.

WHEREAS, Novamet Specialty Products Corporation was founded in 1976, the same year the United States commemorated its Bicentennial, marking 200 years of independence and national progress; and

WHEREAS, Novamet was established for the purpose of developing advanced materials derived from metal powders, materials that are essential to the performance and reliability of products used in automotive catalysts, consumer electronics, aerospace, metal and electronic components, medical equipment, industrial coatings, and protective technologies that support and safeguard America's warriors during times of conflict; and

WHEREAS, in 2010, Novamet was acquired by Tennessee investors and, in 2014, relocated its operations to the City of Lebanon, in Wilson County, repurposing the building and campus originally constructed by Toshiba Corporation in 1979, thereby reinvesting in and strengthening the local community; and

WHEREAS, on April 29, 2026, Novamet will celebrate its fiftieth anniversary, commemorating five decades of innovation, production, and global distribution of advanced materials that serve high-technology markets throughout the world; and

WHEREAS, we are honored to recognize and welcome distinguished guests in the Senate Chamber, including Jeffrey Peterson, President, CEO, and majority owner of Novamet since 2010, along with long-serving employees whose dedication exemplifies the company's success: Tim Hebron, a plant operator with twenty-eight years of service; Jerome Pearson, a plant operator with thirty years of service; Neil Bizarro, regional sales manager, with thirty-seven

years of service; Kevin Haley, quality manager, with forty-four years of service; and Ralph Stella, director of operations, with forty-seven years of service; and

WHEREAS, the continued success and longevity of Novamet Specialty Products Corporation would not be possible without the dedication, expertise, and commitment of its employees, and these individuals—each of whom relocated to Tennessee in 2014—have played vital roles in advancing the company's mission and contributing to the economic vitality of the State of Tennessee; and

WHEREAS, Novamet's mission is to develop, produce, and distribute metal powders and advanced materials that meet or exceed the most exacting specifications, with steadfast commitment to operational excellence, technological advancement, environmental stewardship, and the cultivation of strong relationships with its communities, employees, customers, and suppliers, thereby empowering its customers to create durable, high-performing, and environmentally responsible products that enhance lives and benefit people around the world; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE HOUSE OF REPRESENTATIVES CONCURRING, that we honor and commend Novamet Specialty Products Corporation on the occasion of its fiftieth anniversary and extend our sincere appreciation to its leadership and the employees for their lasting contributions to innovation, industry, and the citizens of the State of Tennessee.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy and upon proper request made to the appropriate clerk, the language appearing immediately following the State seal appear without House or Senate designation.
