**AMEND Senate Bill No. 874**

**House Bill No. 901\***

by deleting from subsection (c) of SECTION 1 the language "As used in this section" and substituting "As used in this chapter".

**AND FURTHER AMEND** by inserting the following new section immediately preceding the last section and renumbering the subsequent section accordingly:

SECTION \_\_. Tennessee Code Annotated, Title 43, Chapter 25, is amended by adding the following new section:

(a) The department of agriculture is directed to perform a study on the status of century farms in this state, their continued viability, and their impact on farming generally. The study must include, but not be limited to, examinations of:

(1) The financial impact on century farm families resulting from their operation of such farms;

(2) The short-term and long-term projections on the continued viability of century farms given:

(A) The effect of current economic conditions on such farms;

(B) The demand for agricultural products grown and produced by century farms in this state; and

(C) Long-term shifts in temperatures and weather patterns on century farms; and

(3) Any other barriers encountered by century farm families from all economic strata, and proposed solutions to such barriers.

(b) It is the legislative intent that this study be conducted within the department of agriculture's existing resources.

(c) On or before January 31, 2026, the department shall report its findings and recommendations, including any proposed legislation, to members of the committee of the house of representatives having jurisdiction over subject matters pertaining to agriculture and natural resources and the energy, agriculture and natural resources committee of the senate.
