SECTION 2. Tennessee Code Annotated, Title 43, Chapter 27, is amended by adding the following as a new part:

43-27-301.

The requirements of this part are in addition to all other requirements of this chapter, and must not be construed to prohibit or restrict the ability of the department to enforce this chapter.

(b) An HDCP board formed pursuant to subsection (a) may pass an ordinance or resolution:

(1) Requiring each retailer of HDCPs to obtain a permit from the board authorizing the sale of such products at each retail location of the retailer within the jurisdiction of the local government; and

(c) The annual fee for the permit is two hundred fifty dollars (\$250) per retail location and must be renewed annually. The HDCP board shall prescribe the application form for the issuance and renewal of a permit.

(d) Upon request of an HDCP board, the department shall issue a notice of good standing to the board for the purposes of issuing or renewing a permit to a retailer under this section. Such notice may be requested and provided electronically.

43-27-304.

(a) The local law enforcement agency of a local government that has created an HDCP board may:

(1) Enforce this chapter and any ordinance or resolution of the HDCP board;

(2) Enforce the rules of the department with respect to HDCP retailers under an agreement executed with the department that specifies the scope and manner of such enforcement; and

(3) Conduct random inspections of the premises of a retailer for purposes of enforcement within the normal business hours of a retailer.

(b) A retailer operating without a permit required under § 43-27-303, or that is in violation of this chapter, the rules of the department, or an ordinance or resolution of the HDCP board is subject to the following:

- (1) A civil penalty of one thousand dollars (\$1,000) per violation;
- (2) Denial of approval for a retailer's permit or the renewal of an existing retailer's permit;
- (3) Revocation of the retailer's permit for a period of up to one (1) year; or
- (4) Ineligibility for permit renewal for up to one (1) year after the period of revocation under subdivision (b)(3) expires.

(c) The HDCP board shall notify the department of a violation of its rules or this chapter by a retailer within thirty (30) days after discovery of the violation.

(d) A retailer aggrieved by an adverse action taken by an HDCP board pursuant to this section may appeal the adverse action of the board within thirty (30) days of receipt of notice of the action to a court of competent jurisdiction.

43-27-305.

Annual permit fees and civil penalties owed by a retailer under this part must be remitted to the office or individual identified in the ordinance of the local government as being responsible for the collection of such fees and penalties. Fees and penalties remitted under this section must be deposited into the general fund of the local government and accounted for separately, to be used for the enforcement of this part.
