

HOUSE JOINT RESOLUTION 1161

By Howell

A RESOLUTION to commemorate ALS Awareness Month, May 2026.

WHEREAS, amyotrophic lateral sclerosis (ALS), known by many as Lou Gehrig's disease, is a progressive fatal neurodegenerative disease in which a person's brain loses connection with the muscles, slowly taking away the person's ability to walk, talk, eat, and eventually, breathe; and

WHEREAS, thousands of new amyotrophic lateral sclerosis (ALS) cases are reported every year, and estimates show that every ninety minutes, someone is diagnosed with ALS, and someone passes away from ALS; and

WHEREAS, on average, patients diagnosed with ALS survive only two to five years from the time of diagnosis; and

WHEREAS, the exact causes of ALS are unknown, and there is no known cure for ALS; and

WHEREAS, people who have served in the military are more likely to develop ALS and die from the disease than those with no history of military service; and

WHEREAS, securing access to new therapies, durable medical equipment, and communication technologies is of vital importance to people living with ALS; and

WHEREAS, clinical trials play a pivotal role in evaluating new treatments, enhancing quality of life, and fostering assistive technologies for those living with ALS; and

WHEREAS, the ALS Association is the largest philanthropic funder of ALS research globally and has committed more than \$154 million to support more than 550 projects across the United States and eighteen other countries; and

WHEREAS, the ALS Association is committed to accelerating the pace of discovery, fueled by the hope that one day ALS will be a livable disease for everyone, everywhere, until a cure can be found; and

WHEREAS, Amyotrophic Lateral Sclerosis Awareness Month provides an opportunity to increase public awareness of the dire circumstances of people living with ALS, acknowledge the terrible impact this disease has on those individuals and their families, and support research to eradicate this disease; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that we commemorate May 2026 as ALS Awareness Month and honor those Americans who support ALS research, advocate for increased public funding, and stand in solidarity with those affected by this relentless disease.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy and upon proper request made to the appropriate clerk, the language appearing immediately following the State seal appear without House or Senate designation.
