

SENATE BILL 416

By Haile

AN ACT to amend Tennessee Code Annotated, Title 49,
relative to virtual schools.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 49-6-2206, is amended by adding the following as a new subsection (e) and redesignating the existing subsection (e) accordingly:

(e)

(1) All virtual schools shall use a curriculum and instructional materials that meet or exceed the academic standards adopted by the state board of education. Notwithstanding subsection (a), the state board of education shall not waive this restriction for a virtual school.

(2) The state textbook and instructional materials quality commission shall adopt a procedure to receive and evaluate feedback from a resident of this state that virtual school curriculum or instructional materials do not meet or exceed the academic standards adopted by the state board of education.

(3) If the commission receives feedback according to the procedure established pursuant to subdivision (e)(2), then the commission shall evaluate and determine, within sixty (60) days from the date on which the feedback was received, whether the virtual school curriculum or instructional materials meet or exceed the academic standards adopted by the state board of education. The commission shall issue the commission's determination in writing to each LEA that operates a virtual school. If the textbook commission determines that a virtual school curriculum or instructional materials do not meet or exceed the

academic standards adopted by the state board of education, then a virtual school using that curriculum or instructional materials shall cease using such curriculum or instructional materials and substitute a curriculum and or instructional materials that meet or exceed the academic standards adopted by the state board of education.

SECTION 2. This act takes effect July 1, 2025, the public welfare requiring it.
