

SENATE BILL 2356

By Massey

AN ACT to amend Tennessee Code Annotated, Title 4;
Title 29; Title 36; Title 63 and Title 68, relative to
assisted reproductive technology.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The commissioner of health shall utilize existing resources to conduct a study of recent legislative developments regarding assisted reproductive technology in neighboring states. The purpose of the study is to provide the general assembly with information on recent legislation in neighboring states concerning patient access and patient safety as it pertains to the use of assisted reproductive technology. The scope of the study is legislative changes enacted in such states within the last five (5) calendar years. No later than December 31, 2026, the commissioner shall transmit a copy of the commissioner's findings from the study and any legislative recommendations to the chief clerk of the senate, the chief clerk of the house of representatives, and the legislative librarian. The commissioner may use electronic means to publish and transmit the study findings and recommendations.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
