AMEND Senate Bill No. 6001*

House Bill No. 6004

by deleting §§ 49-6-3507 and 49-6-3508 in Section 2 and substituting instead the following:

49-6-3507. Administration of assessments for recipients.

(a) As a condition of receiving a scholarship pursuant to this part, recipients in grades three through eleven (3-11) must be annually administered the same Tennessee comprehensive assessment program (TCAP) tests that are required for, and annually administered to, public school students in grades three through eleven (3-11).

(b) Each private school that enrolls recipients shall annually administer the TCAP tests required in subsection (a) to the recipients enrolled in the school, and shall report the results of the TCAP tests administered to recipients pursuant to subsection (a) in the same manner required of public schools, as may be established pursuant to this title, the rules and policies of the state board of education, or by the department.

(c) By June 30, 2026, and by each June 30 thereafter, each private school shall provide the results of the TCAP tests administered to recipients pursuant to subsection (a) to the office of research and education accountability in the office of the comptroller of the treasury. A private school may provide the TCAP test results required pursuant to this subsection (c) using aggregated, deidentified data; provided, that the data must be provided on a form developed by the office of research and education accountability in a manner that allows the office of research and educational accountability to group and analyze the results by recipient grade level, household income level, sex, and race. The office of research and education accountability shall submit an annual report to the education committee of the senate and the committee of the house of representatives

having jurisdiction over elementary and secondary education detailing the results of the TCAP tests administered to recipients pursuant to subsection (a).

49-6-3508. Private schools must comply with reporting requirements.

A private school that enrolls recipients must comply with the same reporting requirements established pursuant to this title, the rules and policies of the state board of education, or by the department for kindergarten through grade twelve (K-12) public schools in this state. If a private school refuses or fails to comply with one (1) or more of the reporting requirements established for the public schools in this state, then, for the school year immediately succeeding the private school's failure to report, the private schools is no longer a private school at which a scholarship may be used by an eligible student for purposes of the program.
