AMEND Senate Bill No. 6001*

House Bill No. 6004

by adding the following as a new subsection at the end of amendatory language in § 49-6-3504 of Section 2:

(f)

(1) The comptroller of the treasury, in consultation with the department, shall annually conduct a review to determine whether all public schools in this state are fully funded and issue its findings to the department and the general assembly.

(2) Notwithstanding this section to the contrary, the department shall not award a scholarship to an eligible student for a school year in which the comptroller of the treasury does not certify that all public schools in this state are fully funded.

(3) As used in this subsection (f), "fully funded" means all public schools:

(A) Provide equitable access to resources, have high-quality educational facilities, and adequately compensate teachers; and

(B) Provide sufficient financial support to meet the academic and social-emotional needs of all students, including special education and underserved populations.
