Such redevelopment may include a solar power facility, as defined by § 66-9-207(a)(5)(A). In addition to the authorization provided in § 7-53-312, a corporation located in a municipality in which a brownfield redevelopment project is located may prepare and submit to the municipality for approval an economic impact plan with respect to an area that includes, but it is not limited to, the brownfield redevelopment project in the manner provided in this section.
