

HOUSE BILL 1814

By Russell

AN ACT to amend Tennessee Code Annotated, Title 39;
Title 40 and Title 55, Chapter 10, relative to driving
under the influence of an intoxicant.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 55, Chapter 10, Part 4, is amended by adding the following as a new section:

(a) Notwithstanding another law to the contrary, if a person is convicted of a violation of § 55-10-401 involving the use of alcohol or opioids and the court determines that it is appropriate to order the person to operate only a motor vehicle equipped with a functioning ignition interlock device under § 55-10-409, then the court may allow the person to agree to receive naltrexone injections at the person's own expense for a period of twelve (12) continuous months in lieu of ordering the person to operate only a motor vehicle equipped with a functioning ignition interlock device.

(b) If a person agrees to receive naltrexone injections for a period of twelve (12) continuous months in lieu of operating only a motor vehicle equipped with a functioning ignition interlock device pursuant to subsection (a), then the court must include in the sentencing order reporting requirements related to the person's receipt of the naltrexone injections as a condition of the person's probation. A person's failure to receive naltrexone injections as ordered by the court is a ground for revocation of the person's probation.

SECTION 2. This act takes effect July 1, 2026, the public welfare requiring it.
