

HOUSE BILL 2131

By Crawford

AN ACT to amend Tennessee Code Annotated, Title 39;  
Title 53; Title 56; Title 63; Title 68 and Title 71,  
relative to telehealth.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The commissioner of health shall conduct a study using existing resources of the requirements to obtain prescription medications via telehealth in neighboring states. The purpose of the study is to determine the restrictions upon prescribers issuing prescription medications via telehealth, and compare such restrictions to those on prescribers in this state. The commissioner shall compile the findings from the study into a report and transmit a copy of the report to the chief clerk of the senate, the chief clerk of the house of representatives, and the legislative librarian no later than December 31, 2026. The commissioner may publish and transmit the report by electronic means.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
