AMEND Senate Bill No. 267*

House Bill No. 702

by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 68-29-122(c), is amended by deleting the subsection and substituting:

(c)

(1) A collection station operated by a medical laboratory owner that is a licensee of a medical laboratory in this state does not require an additional license, without regard to where specimens collected at the medical laboratory owner's collection stations are transported, as long as the medical laboratory owner of the licensed medical laboratory retains ownership of the medical laboratory and oversight of the collection stations, including maintaining and producing to the board in the event of a complaint investigation all relevant and non-privileged records associated with the collection stations for purposes of oversight by the board.

(2) A collection station operated by a person who is not a medical laboratory owner of a medical laboratory located in this state and licensed by the board must have a license issued by the board.

(3) All collection stations must comply with rules prescribed by the board.

SECTION 2. This act takes effect July 1, 2025, the public welfare requiring it.
