AMEND Senate Bill No. 936*

House Bill No. 1271

by adding the following as a new subdivision (a)(7) in SECTION 1:

(7) The general assembly finds that local governments are closest to the people they serve and are best positioned to adopt policies that reflect the needs and values of their communities. This act overrides that local authority and substitutes the state's judgment for that of elected local officials, in direct contradiction to the principle of local control this body has historically championed.
