AMEND Senate Bill No. 210

House Bill No. 195*

by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 71-5-165, is amended by adding the following as a new subsection:

()

(1) As used in subdivision () (2):

(A) "Rural ambulance service" means an ambulance service in which the point of pick up occurs in a rural area; and

(B) "Rural area" has the same meaning as defined in 42 CFR 414.605 and means an area located outside an urban area, or a rural census tract within a metropolitan statistical area as determined under the most recent version of the Goldsmith modification as determined by the office of rural health policy of the health resources and services administration within the United States department of health and human services.

(2) Notwithstanding this section or another law, the bureau of TennCare shall reimburse a public or private ground-based rural ambulance service that bills for transports and has a base of operations in this state for providing a covered rural ambulance service to a TennCare recipient at a rate not less than seventy-eight and one-half percent (78.5%) of the federal medicare program's allowable charge for participating providers.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
