

HOUSE JOINT RESOLUTION 874

By Vital

A RESOLUTION to celebrate the eightieth anniversary of the
Tennessee Wildlife Federation.

WHEREAS, the Tennessee Wildlife Federation is a nonprofit organization founded on February 12th, 1946, as the Tennessee Conservation League at Chattanooga's Read House Hotel by outdoor writers, sportsmen, and community leaders in response to dwindling wildlife populations and the widespread decline of Tennessee's natural resources; and,

WHEREAS, for eighty years, the Tennessee Wildlife Federation has been dedicated to conserving Tennessee's fish and wildlife, protecting access to our outdoor spaces, and promoting Tennesseans' hunting and fishing heritage; and

WHEREAS, the Tennessee Wildlife Federation has been instrumental in bringing healthy deer, turkey, elk, and other game and non-game species' populations back to Tennessee through policy efforts, active wildlife management, and habitat conservation projects; and

WHEREAS, over the past eight decades, the Tennessee Wildlife Federation has evolved from a grassroots conservation organization into a trusted statewide voice on wildlife management, outdoor recreation, and conservation policy, working alongside hunters, anglers, landowners, scientists, and policymakers to advance practical, science-based solutions that benefit all Tennesseans; and

WHEREAS, healthy habitats and wildlife populations require robust, common-sense policies supporting conservation and active, science-backed management, and the Tennessee Wildlife Federation is a leader in promoting sound conservation policy; and

WHEREAS, the Tennessee Wildlife Federation gives back to the State of Tennessee through outdoor outreach programs, including Hunters for the Hungry, which provides hunger

relief organizations with no-cost venison donated by deer hunters, allowing hunters to do what they love, donate venison, and give back to their communities; and

WHEREAS, the Tennessee Wildlife Federation's Scholastic Clay Target Program provides Tennessee's youth with the opportunity to participate in trap, skeet, and sporting clays with their peers across the State, teaching the importance of safe firearm handling, responsibility, leadership, and teamwork while promoting healthy competition; and

WHEREAS, the Tennessee Wildlife Federation's Hunting and Fishing Academy recruits the next generation of hunters, anglers, and conservationists of all ages and has allowed Tennesseans to engage with nature while supporting conservation efforts; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that we honor and congratulate the Tennessee Wildlife Federation for eighty years of conservation leadership and dedication to conservation efforts across the Volunteer State.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy and upon proper request made to the appropriate clerk, the language appearing immediately following the State seal appear without House or Senate designation.
