

HOUSE JOINT RESOLUTION 66

By Cepicky

A RESOLUTION to encourage each local education agency that operates a high school to participate in the Armed Services Vocational Aptitude Battery Career Exploration Program.

WHEREAS, the Armed Services Vocational Aptitude Battery or ASVAB tests are designed to measure aptitudes via ten tests in four domains: verbal, math, science, and technical, and spatial with all testing completed in an average time of ninety minutes; and

WHEREAS, many students in Tennessee may not know they have the opportunity to take the ASVAB and consider the many meaningful career options available in the armed forces of the United States or the Tennessee Army and Air National Guard; and

WHEREAS, while most ASVAB testing is conducted at a Military Entrance Processing Station, or satellite stations, the ASVAB is also offered to high school and post-secondary students as part of the Department of Defense sponsored ASVAB Career Exploration Program (CEP); and

WHEREAS, participation in this program does not cost the school districts anything; and

WHEREAS, the ASVAB CEP offers students a chance to explore all paths to careers, including college, certifications, apprenticeships, licensure programs, and the military in one place; and

WHEREAS, ASVAB participation is encouraged through both state and federal accountability measures for college and career readiness for every school district; and

WHEREAS, encouraging students to participate in this career aptitude assessment provides the student and parent valuable insight into career paths in either civilian or military life; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that we encourage each and every local education agency that operates a high school to participate in the Armed Services Vocational Aptitude Battery Career Exploration Program and make the Armed Services Vocational Aptitude Battery tests widely available to all high school students in Tennessee.

BE IT FURTHER RESOLVED, that a copy of this resolution is transmitted to the Tennessee Organization of School Superintendents, and the Tennessee School Boards Association for distribution to their members with this final clause omitted.
