AMEND Senate Bill No. 848*

House Bill No. 935

by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Title 5, Chapter 1, is amended by adding the following as a new part:

5-1-401. Definitions.

As used in this part:

(1) "County legislative body" means that body vested by either the county charter or general law with the legislative powers of the county government; and

(2) "Self-insures" means a county that provides health insurance for its employees and pays the associated medical care cost directly to the provider or through a third-party administrator directly to the provider.

5-1-402. Authority for counties that self-insure.

Notwithstanding another law to the contrary, a county legislative body may require a competitive bid process for insurance brokerage services if the county self-insures and has adopted the County Purchasing Law of 1957, compiled in chapter 14, part 1 of this title.

SECTION 2. The headings in this act are for reference purposes only and do not constitute a part of the law enacted by this act. However, the Tennessee Code Commission is requested to include the headings in any compilation or publication containing this act.

SECTION 3. This act takes effect upon becoming a law, the public welfare requiring it.
