

SENATE BILL 1054

By Roberts

AN ACT to amend Tennessee Code Annotated, Title 63,
relative to health care.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 63-6-207(g), is amended by deleting the subsection and substituting:

(g)

(1) The board shall issue a foreign training license of limited duration to an internationally licensed physician who has successfully completed the examination as described in subsection (b) upon finding sufficient evidence that the internationally licensed physician:

(A) Possesses a:

(i) Certificate from a medical school whose curriculum is:

(a) Approved by the American Medical Association
or its extant accreditation program for medical education,
or its successor; or

(b) Judged to be acceptable by the board; and

(ii) Copy of a permanent ECFMG certificate;

(B) Completed a postgraduate training program of a minimum of three (3) years in a country approved by the internationally licensed physician's licensing country or has practiced as a medical professional performing the duties of a physician for seven (7) years;

(C) Has practiced as a medical professional performing the duties of a physician for at least three (3) years in the licensing country after the postgraduate training or equivalent as described in subdivision (g)(1)(B);

(D) Has been in good standing with the medical licensing or regulatory institution of the internationally licensed physician licensing country within the last five (5) years and does not have any pending discipline before the licensing body;

(E) Is legally entitled to live or work in the United States if the person is not a citizen of the United States;

(F) Has sufficient evidence of good moral character; and

(G) Has paid:

(i) A nonrefundable application fee as set by the board;

and

(ii) An examination fee as described in this section.

(2) An applicant under subdivision (g)(1) shall submit sufficient evidence that the applicant is an internationally licensed physician and has an offer for employment as a physician at a healthcare provider that operates in this state.

(3) An internationally licensed physician who is granted a foreign training license under subdivision (g)(1) shall only provide medical services at the healthcare provider identified in subdivision (g)(2) during the period of the foreign training license unless the licensee notifies the board of a change of eligible healthcare provider employer.

(4) The board may grant a full and unrestricted license to practice medicine to a foreign training licensee under subdivision (g)(1) who is in good

standing and has actively practiced medicine in this state for two (2) years after the date of foreign training licensure.

(5) As used in this subsection (g), "healthcare provider" means an individual, entity, corporation, person, or organization, whether for profit or nonprofit, that furnishes, bills, or is paid for a healthcare procedure or service delivery in the normal course of business, and includes a healthcare professional, healthcare facility, a health system, hospital, hospital-based facility, freestanding emergency facility, urgent care clinic, or entity licensed or certified to provide health services in this state as recognized by the board.

SECTION 2. This act takes effect July 1, 2025, the public welfare requiring it.
