

HOUSE JOINT RESOLUTION 1248

By Reneau

A RESOLUTION to honor and commend the Association of
Environmental and Engineering Geologists on
the occasion of its sixty-ninth annual meeting.

WHEREAS, it is fitting that the members of this General Assembly should honor those exemplary organizations that provide leadership, advocacy, and applied research in the sciences; and

WHEREAS, one such commendable organization is the Association of Environmental and Engineering Geologists, which contributes to its members' professional success and the public welfare by providing leadership, advocacy, and applied research in the fields of environmental and engineering geology; and

WHEREAS, the Association of Environmental and Engineering Geologists was founded in 1957 and later incorporated on May 7, 1963, in California; and

WHEREAS, since its founding, the Association of Environmental and Engineering Geologists has grown to include twenty-six chapters, including one in Nashville; and

WHEREAS, members of the Association of Environmental and Engineering Geologists as practitioners in the fields of environmental and engineering geology provide benefit to the public by assessing natural hazards, protecting the environment, remediating contamination, and supporting the design and construction of engineered works such as roads, bridges, tunnels, and dams; and

WHEREAS, the Association of Environmental and Engineering Geologists has chosen to host its annual meeting in Chattanooga on September 13-19, 2026; and

WHEREAS, this is the first annual meeting that the Association of Environmental and Engineering Geologists has held in the State of Tennessee; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that we honor and commend the Association of Environmental and Engineering Geologists on the occasion of its sixty-ninth annual meeting. We welcome those attending the meeting to enjoy all that Tennessee has to offer and salute the organization and its members for their efforts to uphold sound principles of scientific inquiry with respect to the study and evaluation of geologic processes and the interaction of people with the earth and its natural environment.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy and upon proper request made to the appropriate clerk, the language appearing immediately following the State seal appear without House or Senate designation.
